

TOROTEC 5W-30 FMC

Product Code: PCM012 | **Revision:** 20230428

Fully synthetic automotive engine oil, ACEA A5/B5.

Available Pack Sizes

Applications

A fully synthetic and fuel-efficient engine oil for use with petrol and diesel engines, particularly Ford vehicles. Our specialist Adaptive Molecular Technology maintains engine power, maximises efficiency and improves reliability. Powerful detergency and dispersancy provides superior soot handling and extended drain intervals, improved fuel economy and greater robustness to the use of biofuels, ensuring optimum performance and delivering outstanding durability in all conditions for the most demanding motorist.

Recommended by Aztec Oils as suitable for the following applications

ACEA A5/B5
API SN/CF
BMW LL-01 FE
Ford WSS-M2C913-D*
Renault RN0700
Jaguar Land Rover STJLR.03.5003
*Backwards compatible with WSS-M2C913-C

Benefits

- Ensures lubricant performance over extended drain intervals.
- Excellent start-up protection.
- Exceptional long-term anti-wear and oxidation stability.
- Greater robustness to biofuels.
- Improved fuel efficiency.
- Maintains very high standards of engine cleanliness.
- Superior performance under both high temperature and low temperature conditions.

Typical Test Data

Density @ 15°C (kg/m ³)	ASTM D4052	0.854
Flash Point (°C)	ASTM D92	225
Kinematic Viscosity @ 40°C (mm ² /s)	ASTM D445	57.4
Kinematic Viscosity @ 100°C (mm ² /s)	ASTM D445	10.1
Pour Point (°C)	ASTM D97	-45
Total Base Number (mg KOH/g)	ASTM D2896	10.0
Viscosity Index	ASTM D2207	165

The typical test data provided is taken from average values, there will be some variability in production and therefore do not constitute a specification.

Health, Safety & Recommendations

In line with our policy of continued improvement, Aztec Oils reserve the right to change specifications and availability without prior notice. This product, used according to our recommendations and for its designed application, does not represent any particular risk. The information present in this technical data sheet is indicative of the product and is given in good faith, but should not form part of any specification.

Health, Safety & Recommendations

- A Safety Data Sheet is available for consultation at www.aztecoils.co.uk.
- Before using this product, the vehicles maintenance guide should be checked and oil changes must be carried out in accordance with the manufacturers' recommendations.
- Packaging should not be left exposed to elements and drums should be laid horizontally to prevent contamination.
- This product should not be stored at temperatures over 60°C, kept out of direct sunlight, protected from frost and fluctuations in temperature.
- When disposing of the product after use, please protect the environment and comply with local regulations.
