

# High Performance Lubricants

---

## Technical Data

---

### Groundsman SAE 30

A high performance engine oil formulated from a carefully balanced mixture of mineral base stocks fortified with the latest additive technology.

Groundsman SAE 30 is suitable for all makes of 4 stroke petrol and naturally aspirated diesel stationary engines found on horticultural machines.

### Features

Produced specifically for horticultural engines

Excellent thermal stability for peak engine performance under all conditions

Low carbon build up

Highly sophisticated anti-wear package to prolong engine life

Specially formulated for use where a SAE 30 monograde is recommended

### Performance Specifications / Approvals:

API SJ, SH, SG, SF, SE, SD, SC  
CF-4, CF, CE, CD, CC

### Typical Physical Characteristics

Viscosity Grade	SAE 30
Density @ 15C	0.882
Viscosity @ 40C	90.6 cSt
Viscosity @ 100C	11.2 cSt
Viscosity Index	110
Appearance	Clear Amber Liquid
Product Code	02190

Groundsman SAE 30 is part of a complete range of Groundsman products dedicated to horticultural use.
